The beautifully restored Royal Navy Dockyards provide quaint boutiques, a crafts market and a fascinating maritime museum. Don't miss the chance to try out one of the many water sports offered in and around this gorgeous harbor.

Overview **"Breakaway"** is Norwegian's newest expression of their signature "Freestyle Cruising!" Sailing in 2013, this revolutionary new ship will boast the best design of the NCL fleet, while blending a variety of wonderful innovations and amenities to create the perfect vacation for you and yours. Each room is designed to emulate the finest modern boutique hotel rooms, and envision them at sea. This ship offers more choices in dining, activities and entertainment than ever before, so you'll be able to enjoy the freedom of a true vacation at your leisure.

The 146,600-ton, 4,028-passenger Norwegian Breakaway will launch in April 2013. The ship will be officially christened by the Rockettes in New York City on May 8.

Spa

About 23,000 square feet on the Norwegian Breakaway will be devoted to its spa and fitness center. The double-deck spa will include a salt room in a dramatic grotto setting meant to alleviate respiratory and skin ailments. The first one offered on a cruise ship. The fitness center will include a spinning class in a room with neon graffiti art lit up by black lights, and a first-ever interactive fight training program called Nexersys. Acupuncture, teeth whitening and cosmetic medical treatments such as Botox wrinkle reduction will be offered in the spa. For men, the ship will offer a full-service barber shop that offers haircuts and traditional warm shaves.

Entertainment

You are guaranteed to find your favorite show onboard – whether it's a rocking Broadway production, a spectacular dance performance, astonishing cirque spectacular, a soulful blues performance, or laugh-out-loud comedy. Breakaway Theater will be home to the five-time Tony Award nominated Broadway musical **Rock Of Ages**. The energy in the theater is sure to be contagious as your participants channel their inner rock star and rock out to what has been named "Broadway's Best Party". **Burn The Floor**, otherwise known as Ballroom "supercharged", will dazzle you. The show first premiered on Broadway in 2009 and is currently in the midst of its World Tour. In addition to performances in Breakaway Theater, Burn the Floor will offer a "spicier" performance in The Manhattan Room on selected evenings. An adaptation of the Broadway show **Cirque Dreams Jungle Fantasy**, **Cirque Dreams & Dinner – Jungle Fantasy** will be featured in Norwegian Breakaway's Spiegel Tent. You will enjoy a delicious dinner while watching this jaw-dropping experience. The show will feature the Cirque Dreamers performing acrobatic feats surrounded by a soaring ballet of butterflies, flipping monkeys, spine-bending lizards and fanciful birds in an exotic, mesmerizing adventure. **Slam Allen** has been blowing New York audiences away with his soulful blues and jazz performances for over 20 years. Now, on Norwegian Breakaway, you can enjoy his smooth sounds inside Fat Cats Jazz and Blues Club or while sitting on The Waterfront, taking in the warm ocean breezes. And there's no shortage of laughs onboard Norwegian Breakaway! The hilarious improvisational comedy of **The Second City** is back to perform more of their side-splitting songs and improvisational comedy in Headliners. **Howl at the Moon**, the world's greatest rock n' roll dueling piano show, also takes place in Headliners.

Dining Venues

Ocean Blu Seafood Restaurant

Step inside and experience the all-new Ocean Blu Seafood Restaurant by Geoffrey Zakarian, celebrity chef, Food Network star and Iron Chef. Tastefully nautical and temptingly delicious, it's a new dining experience not to be missed or experience its outdoor counterpart, **Ocean Blu on the Waterfront**. On select sailings, Zakarian will host personal meet-and-greets at the restaurant along with in-person cooking demonstrations.

Moderno Churrascaria

Adding a Brazilian touch to your itinerary, Norwegian was first to bring this dining concept to sea with outdoor seating. Whether you dine indoors or out, your mouth will water as different grilled and slow-roasted meats are carved tableside. Use your Moderno Green and Red Place Card to control the carving. Green side up and the professional "Passadores" will continue to stop at your table with succulent skewers of meats. Use the red side to stop. Moderno Signature Salad display is a traditional part of any churrascaria. You'll find a mouthwatering, bountiful selection of freshly prepared salads, artisan cheeses and more.

La Cucina Italian Restaurant (Specialty Dining Trio)

Bring your familia` and enjoy Norwegian's colorful piazza-style trattoria. Prefer your pasta al dente in the main restaurant, outdoors on The Waterfront or would you like to dine Atrium Al Fresco-style? The menu at La Cucina's is casual, family-style Italian and the ambiance, including the courtyard, is Tuscan-esque complete with lanterns, timbers and stonework. Be sure to try the pizza.

Shanghai's Noodle Bar

When you crave a taste of the Orient, think Shanghai's Noodle Bar. You'll find it on Deck 7, next to The Manhattan Room. Sit at the counter and let our skilled chefs prepare authentic dim sum and fried rice as you watch. It's more than delicious, it's fun! Order your noodles prepared in a wok or cooked to perfection in a scrumptious broth with your choice of sauces and flavors.

Cagney's Steakhouse (Specialty Dining Trio)

Succulent grilled steaks along with perfectly cooked double cut lamb chops will make your mouth water at our signature steakhouse. With an opening to view **The Manhattan Room**, you can dine in style amidst the warm wood tones and comfortable leather. It's an experience that should be savored and enjoyed at least once on your cruise.

The Manhattan Room is a complimentary restaurant featuring live music and dancing. Reminiscent of a private New York City supper club, the sophisticated two-story high venue showcases floor-to-ceiling panoramic windows looking aft.

Le Bistro (Specialty Dining Trio)

Norwegian's signature French restaurant, will feature an elegant indoor setting, along with a European sidewalk-style dining opportunity which will overlook the social hub of the ship, 678 Ocean Place. As they dine on classic French favorites, guests will marvel at the three-story cascading LED chandelier above them along with the constant flow of people.

O'Sheehan's Neighborhood Bar & Grill

A complimentary 24-hour a day sports bar and restaurant serving classic American favorites and comfort food. It features a giant two-story screen broadcasting sports and movies, along with miniature bowling, pool and air hockey tables and interactive games. Guaranteed to be a popular gathering spot!

Teppanyaki

Will dazzle your guests as the talented Teppanyaki chefs showcase their knife-wielding skills and entertain your group while creating delicious meals.
